

VISION STATEMENT

"In ten years, Esthura will be a thriving and united community where education flourishes, sustainable livelihoods empower individuals, and cultural heritage is honored. We envision a future where transparent governance ensures the protection of our natural environment, economic opportunities uplift all, and our traditions are embraced; creating a happy, healthy, safe, and prosperous society for generations to come."

1 | GOVERNANCE

A united community through an inclusive, transparent and progressive governance.

2 | LIVELIHOOD

To achieve financial independence and a sustainable well-being by building a diversified portfolio of income streams.

3 | HEALTH

Our mission is to build a better health care system to a world class standard by providing quality service to Esthura and other neighboring communities; to ensure that everyone is well cared for physically and mentally in which they will be able to be successful in society.

4 | EDUCATION

Our mission is to build capacity in individuals in education at all levels, where we can have excellent passes in both practical and theoretical studies while they enjoy the benefits of a comfortable and friendly environment.

5 | NATURE & ENVIRONMENT

To ensure pollution is minimized through effective practices of resource harvesting and waste disposal for a better environment for better health.

6 | CULTURE & TRADITIONS

Our goal is to revitalize traditions by practicing actively by community members and shared/ dispersed through tourism, bringing increased income for residents.
